Expand Your Horizons

[www.expandingweb.com](http://www.expandingweb.com)

## ***Websites - A world of innovation***

---

***“We keep the web development process simple so you understand what we are doing and can add your input when you want to.”***

We can build a website in as little as 14 days!

We lead you through a simple process of describing your requirements so that our professional designers and programmers can fulfil all your expectations.

**We give you a fantastic experience when working with us!**

**Virtual Tours** - a fantastic way of selling yourself for Hotels, Guesthouses, Restaurants, Property Agencies, Tourist Resorts, Sightseeing Tours and more!

*See it in action at [www.khushis.com](http://www.khushis.com)*

**User Interaction** - Engage with your clients!

*See it in action at [www.smiley-plus.com](http://www.smiley-plus.com)*

**CMS (Control Management Systems)** - You can give access to the administration area of the website to your colleagues or employees. Different administration levels can allow for different user access.

**Blogs, Guestbooks, Comments** - A great way to communicate!

*See it in action at [www.blog.andrewszone.com](http://www.blog.andrewszone.com)*

## *eCommerce - Create a global customer base*

---

*“We keep the web development process simple so you understand what we are doing and can add your input when you want to.”*

We can build your eShop in as little as 21 days!

We lead you through a simple process of describing your requirements so that our professional designers and programmers can fulfil all your expectations.

**We give you a fantastic experience when working with us!**

**Advance Shopping Experience** - Multiple modules to showcase your products!

*See it in action at [www.paintedfuture.com](http://www.paintedfuture.com)*

**User Interaction** - Build a relationship with your clients with newsletters and online discussion forums.

**CMS (Control Management Systems)** - You can add your own products, images, descriptions and price to your shop.

**Blogs, Guestbooks, Comments** - A great way to communicate!

*See it in action at [www.blog.andrewszone.com](http://www.blog.andrewszone.com)*

**Secure Payment** - Using secure payment gateways, buyers will know that their details are safe with you.

## *Multimedia - Unlock your creative advantage*

---

*“We integrate multimedia in to websites and produce stand-alone graphics for use in your static advertising materials.”*

We give you the extra competitive edge with numerous creative options for your website and printed media.

We talk to you, establish the requirements of the media, and then create it.

**We give you a fantastic experience when working with us!**

**Flash** - Great for website entry pages, banners, mini-games, or just a fully interactive web experience!

*See it in action at [www.epp4u.co.uk](http://www.epp4u.co.uk)*

**Photography** - Never underestimate the impact of great photographs. Our photography and retouching service will help you create impact.

**Music** - Create a tune for your business! We also integrate music in to websites.

*See it in action at [www.eldoradocabaret.com](http://www.eldoradocabaret.com)*

**Graphic Design** - Project a brand image to remember with an outstanding logo, advertising banners and other graphics!

*See it in action at [www.remarkable-online.com](http://www.remarkable-online.com)*

## *Internet Services - Practical solutions for the web*

---

*“We take care of all the practical and technical aspects of maintaining your presence online. We are here to make your life easier”*

Whatever your requirements, we will strive to meet them!

We provide all the tools you need for your Internet services, including basics such as email at your own domain, reliable hosting and basic marketing tools.

**We give you a fantastic experience when working with us!**

**Hosting** - Professionally managed hosting to keep your website live 24/7.

**Domain Names** - Advice and registration of domain names. You can also register your own domain names if you want to at our partner company, [www.the-domain-mouse.com](http://www.the-domain-mouse.com).

**Email** - Create multiple email accounts at your domain and access them online or through Outlook (or your preferred desktop email client)! Includes capabilities to set up auto-responders and mailing lists.

**Marketing Tools** - Want to manage your own marketing? We'll help you by providing marketing tools and advice. All at: [www.the-domain-mouse.com](http://www.the-domain-mouse.com).

## **Marketing - Get your message out**

---

*“We help you get your message out to people who are interested in your products and services.”*

We talk to you and clarify who your target audience is and how to best connect with them.

We work with you to create a marketing strategy that suits your budget.

**We give you a fantastic experience when working with us!**

**Social Network Marketing** - Harness the power of people integrating social networks in to your online marketing strategy. Learn how to utilise *Facebook*, *MySpace*, *Bebo*, *Twitter*, and *YouTube* and make them work for you!

**Online Marketing Strategy and Review** - Create a marketing strategy document which allows you to realise the full potential of the Internet.

**SEO (Search Engine Optimisation)** - Create a site that will rank well in search engines

**Advertising Services** - Let us help you get to grips with advertising on Google and other platforms.

## ***Contact Us***

---

Please contact us to discuss your individual requirements. We look forward to working with you to build your next success.
